# BURSARIES

We are delighted to be able to offer 10 conference bursaries to encourage attendance by people who work in clinical, legal, academic or custodial settings, wish to develop their interest in forensic psychotherapy and are either local to Gozo or would find the conference fees prohibitive. Each bursary is equivalent to the conference fees, allowing full attendance for all three days.

If you would like to apply for a conference bursary, please write an expression of interest, stating why you feel you meet the criteria, to **[info@forensicpsychotherapy.org](mailto:info@forensicpsychotherapy.org)** by March 31<sup>st</sup> 2026.

Conference bursaries will be awarded on a first come first served basis to those applicants who demonstrate they meet the criteria.

**Please note that the bursaries are for the conference fees only. Successful applicants will need to fund their own travel and accommodation arrangements.**
